SENIOR NIGHT CLUB ORCHESTRA

KEY CLUB FLOAT

BULLDOG RUMPUS

The annual Bulldog Rumpus gives each class in Winslow High School an opportunity to participate in the Rumpus parade and to put on a skit or concession during the evening Carnival.

The best float during the 1949 Rumpus was that of the Sophomores consisting of a Circus Parade, complete with wild animals and wilder men. Another beautiful float was that of the newly organized Key Club.

Jack McCormick and Pat Ingles were crowned as King and Queen of the Bulldog Rumpus during the evening program.

Class Of 49

First freshmen, next sophomores, then juniors, and now at last high and mighty seniors. The day of graduation is almost here, and we, the Class of 1949, are beginning to look back over our high school years. We can't even begin to name all the fun we have had, but there are a few events that are outstanding.

Our freshman year was not very exciting except for learning how to make our way through new surroundings. We built the "W" for the football rallies, helped the juniors sponsor the Junior-Freshman Dance, and gave one of the best assemblies of the year.

The next year we were sophomores. This year was more eventful. Our assembly was again one of the best, we helped the seniors sponsor the Senior-Sophomore Dance, and we took our part in the Bulldog Rumpus.

Our junior year was exciting. We felt that we were really a part of High School. Again we gave an outstanding assembly and with the help of the freshmen we sponsored the Junior-Freshman Dance. Our most outstanding accomplishment, however, was the Junior Prom, with its April Showers theme. Under the direction of Mr. Rezabek we presented a three act comedy, "The Harvest Queen."

In the fall of 1948 we returned bright and eager, mighty seniors. This year was packed with events; our class assembly, the Senior-Sophomore Dance, Senior Faculty picnic, and our class play, "The Man On The Stairs." The late spring brought Senior Ditch Day, Kid Day, Class Day, the Senior Hop, and finally graduation.

Juniors

We entered this school as seventh graders in September, 1944. That year was full of many new things, such as locker combinations and Upper-Classman rule.

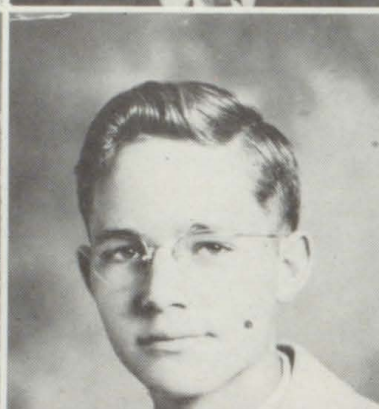

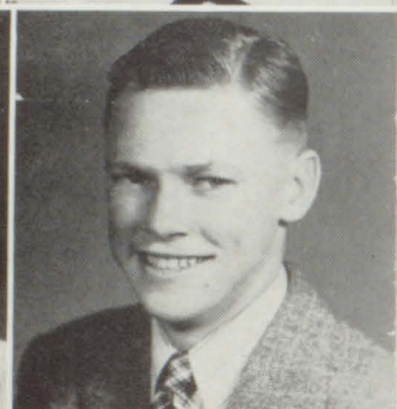

The next year we became the high and mighty eighth graders. At least we could feel superior to someone! We took part in the Bulldog Rumpus that year, and took first prize with our float in the parade.

Finally in September, 1946, we became green Freshmen and for the first time actually took part in any high school activities. We helped sponsor the Junior-Freshman Dance, put on an assembly, and of course took part in the Bulldog Rumpus. Again we took first prize in the parade.

In our Sophomore year we began to feel the responsibilities of high school activities even more. Our Sophomore Assembly was a success, as was the Senior-Sophomore Dance. We again helped to make the Bulldog Rumpus a success. For the third consecutive year, our float took first place in the parade.

As Juniors we were finally the high and mighty upper-classmen. Our Junior Play, "We Shook the Family Tree," was a high success, so was our Junior Assembly. Again this year we took part in the Bulldog Rumpus, and this year our float took second in the parade. But new to us this year we sponsored the Junior Prom and a good time was had by all that were there.

We are looking forward to our last year as Seniors.

Sophomores

We, the Class of '51, started Junior High in 1945. While in Junior High we helped with such school activities as the Bulldog Rumpus and Parade and school assemblies. We graduated on May 23, 1947.

We started on our high school career in September, 1947. As green Freshmen we built the W's for the football rallies and luckily all burned. In the Rumpus we had the food concession, balloon sale, and a few other things. In the parade we won second prize for our Winter Wonderland float. In January we helped the Juniors put on the annual Junior-Freshman dance. We gave the Freshman Assembly, which was a success.

This year, as Sophomores, we gave the Sophomore Assembly and on April first helped the Seniors give the Senior-Sophomore Dance. For the Rumpus we had the food concession and cake raffle, and our float took first place.

We are looking forward to our next two years in W. H. S. and hope we can make it a bigger and better school.

Freshmen

In September of 1948 we left our Junior High days to our memories and entered Winslow Senior High School. After a few months of uncertainty we settled down into High School routine and began to play our part in the many High School activities. Some of our class played on the "B" Football squad while others played during the winter on the Freshman Basketball team.

We helped do our share on the Junior-Freshman Dance on March 14. Then we helped at the Bulldog Rumpus with a Sideshow, a Dart Throw, a Candy Sale and an Art Gallery. The theme of our Rumpus float was "A shotgun Wedding."

Now at the close of our first year in Winslow High School we are looking forward to the many activities in the years which lie ahead of us.

BASEBALL

Bad weather postponed some of the early season games this year but four contests had been played this year before the annual went to press.

The Bulldogs beat Holbrook 5-3 in the first game of the year for the two teams, but the Roadrunners were victorious 12-9 in the second contest. Winslow also beat Flagstaff 12-11 on a last inning rally.

Ed Crozier, Fred Rubi, Bob Clay, and Frank Santisteven handled the mound chores in the early part of the season.

Bill Ames, Pete Van, Jack Pisel and Eugene Hernandez played in the outfield the first three games. Bruce DeMarse, Paul Lattin, John Paul, Dan Watson, and Louis Lee took care of the infield spots. Jack McCormick was doing the catching.

Coach Emil Nasser is using underclassmen players this year as much as possible in order to give them added experience for future years.

Winslow during the 1949 track season showed excellent promise of having another Northern Arizona Championship team. The weather during the first part of the season was unfavorable, but the approach of good weather in late April finally gave the boys plenty of opportunity to work out on the new track, north of the City Park. This is the first year in which track was held on this field.

The Inter-Class meet was held the week of April 4-8. Winners of these events were:

BASKETBALL

After a slow start the Winslow Basketball team finally finished a successful season with a record of fifteen wins and only eight losses.

This year the Bulldogs entered the Gallup Invitational Meet and won three of four contests during this tournament to return with the Consolation Trophy. Bruce DeMarse and George Warnock were high point men for the season, with a total of 211 and 223 points each. The team as a unit scored 931 points to 832 scored by the opposition. The only team to defeat the Bulldogs twice during the season were the strong St. Johns Redskins, one of the best teams in Arizona. Winslow never was beaten by more than twelve points in any game, and managed to run up high scores on most opponents.

On February 17, 18, 19 the Bulldogs climaxed their season with the Northern Arizona Tournament in the new Flagstaff High School Gym. Winslow defeated Ashfork easily in the first game, but fell to the favorites, St. Johns, in the next round. The following day, the Bulldogs defeated Snowflake in the morning and Round Valley in the afternoon game to enter the secondary bracket finals against Seligman. Winslow led until the final minute of play when Seligman broke through to win 48-46.

OPENING TIPOFF OF THE WINSLOW-ST. JOHNS GAME

COACH J. P. LOVETT

The Bulldogs won the Northern Arizona Tournament Sportsmanship Trophy for the second consecutive year at the tournament at Flagstaff for good conduct during the contests. Bruce DeMarse was selected on the All Northern Second team, with Dan Watson, George Warnock and Jimmy Cooata receiving honorable mention.

COACH LOVETT

Mr. Lovett finished his fourth year of coaching at Winslow High School this year. Many of the lettermen this year started with Mr. Lovett on the "B" squad as freshmen, then moved up to serve three years on the Bulldogs' first string. Despite the strong competition of many Northern Arizona teams, Mr. Lovett's coaching brought the Bulldogs to a leading position in this part of the state. Only a single goal stopped the Bulldogs from again going to the State Tournament.

The Bullpups managed to score a total of 561 points during the season while holding their rivals to a total of only 479. Albert Greer, with a total of 92 points was high man for the season.

Probably the most outstanding victory of the season was the one over the St. Johns "B" squad which the Bullpups won easily 54-30, with Winslow leading all through the game. The hardest fought game of the season was the final game of the season with the Bullpups coming through 29-27 after two overtime periods.

On February 26, Coach Nasser took a squad of fifteen players to the Northern Arizona Junior Varsity Tournament at Flagstaff. The Bullpups defeated Seligman and Holbrook to reach the finals only to be defeated by Flagstaff 31-20.

FOOTBALL

The Winslow High School Bulldogs were acknowledged by the Arizona Republic as the Class "B" Football championship team at the end of the 1948 season. In addition to this, they were selected as the Northern Arizona leaders for the year.

The Bulldogs, in their battle for championship honors, defeated eight Arizona opponents, losing only to the strong Albuquerque Bulldogs in a tough game before a large crowd at Albuquerque.

Winslow started the season by trouncing Snowflake 26-6 in the opening game of the 1948 season for both teams. Clarkdale fell an easy victim next when the Bulldogs trimmed them 51-12.

The first home game of the 1948 season was with the Kingman Bulldogs who went home with a 32-0 defeat. The following week, Winslow journeyed to Albuquerque, there to find a strong team above their class. However, Winslow managed to score twice against this superior team. Next, the Bulldogs defeated Holbrook 24-0 in a traditionally hard fought game.

COACH EMIL NASSER

Coach Nasser in his Second year at Winslow High School turned out a strong, well coached team which met and defeated every outstanding team in Northern Arizona.

"A" SQUAD FOOTBALL

Winslow hit the high spot of the 1948 season by trimming the usually strong Prescott Badgers 26-7. From the opening kickoff, Winslow scored their first touchdown in nine consecutive plays without losing the ball. The Winslow line completely dominated the game throughout.

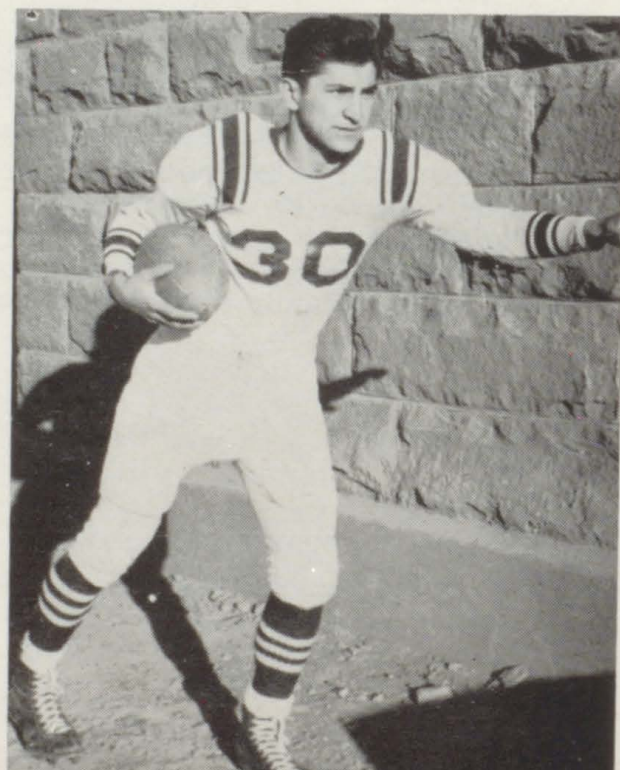

Round Valley, the next victim, started strong by scoring on the Bulldogs but finished on the short end of a 40-6 contest. Once started, the Bulldogs were in full control of the game.

The St. Johns gave Winslow a hard fought game and threatened for a time to take the game with their strong passing attack. However, the Bulldogs fought through to a 32-25 victory in this game.

The final game of the season developed into a hardfought contest with either team able to do a little gaining, except in middle of the field. However, in the second half a well executed pass to Dan Watson brought the touchdown which gave Winslow a 6-0 victory and the Class "B" title.

Several of these boys will go a long way toward aiding next year's varsity in compiling another great year for Winslow High School.

The Bulldog Barks circulation has reached four hundred and fifty, and exchanges number forty-eight.

The editor-in-chief, associate editor, advertising, business, exchange and sports editorships are permanent offices, while the other positions rotate.

C. A. P. C. Class

The Cadet program was started in Winslow in September, 1945, with 22 Cadets. Each year the Cadets are given the opportunity of attending one of the many summer encampments held at various USAF bases throughout the country. The encampments are approximately two weeks long. During that time the cadets put into practice the theories they have been taught in their ground schools.

With the permission of their parents, Cadets are given orientation flights in L-4 type aircraft on loan to the Civil Air Patrol from the USAF.

The local cadets performed a great service and put in many hours assisting during the dropping of food, fuel and medicine to isolated families and livestock this past winter.

Major James L. Curtis is the Commandant of Cadets for Winslow. They are sponsored by the Winslow Squadron under the direction of Major Glenn N. Olmsted, Commander of the local CAP squadron.

They must undergo an initiation which is unequalled by any other in W.H.S. Dressed in rags, with various odors caused by onions, cheap perfume, rotten eggs, and tomatoes, the "rats" create one of the most memorable days of the year.

Rallies dance, and an assembly are put on by this group as well as various drills at the games.

Junior High Basketball

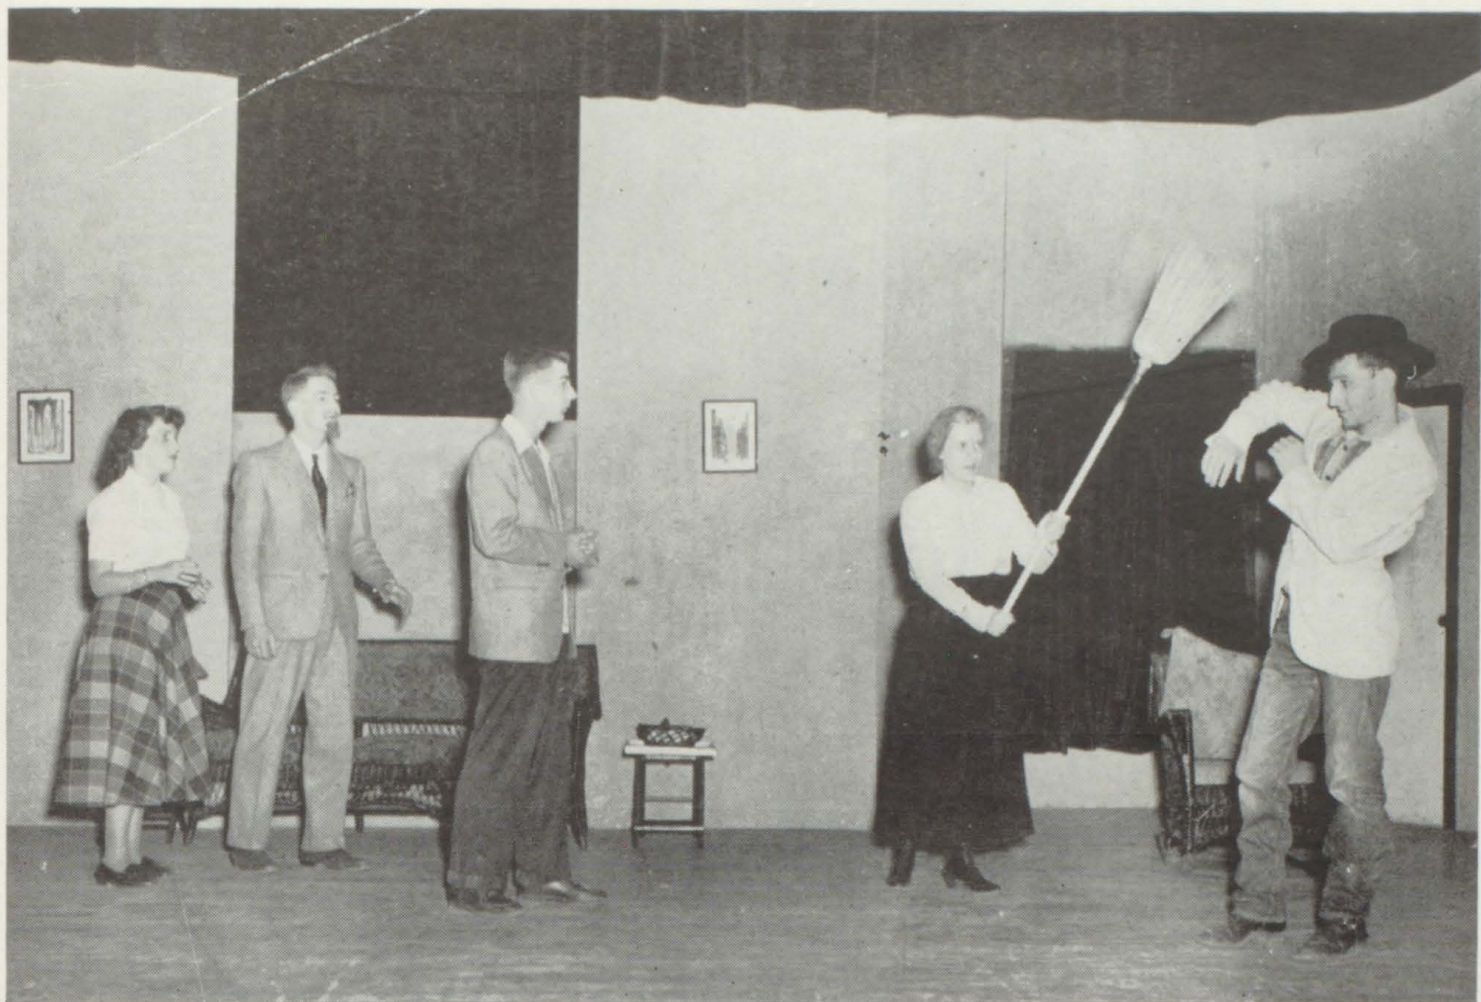

One of the most important and exciting activities of Junior High this year was the Junior High Basketball team. Mr. Wright coached the team to a successful season, winning every regular season game. The highlight of the basketball season was the game with the Winslow Freshmen which the Junior High won by the score of 29-22. Following the regular season, the team participated in the Northern Arizona Junior High Tournament in Flagstaff.

Senior Play

The Senior Play was presented in the high school auditorium at a matinee and evening performance on November 19. The cast turned in outstanding performances, but Guy Travis as an eccentric old prospector, who was revealed as the mysterious disappearing man on the stairs, and Betty Lou Wohler as an old lady with an absent mind and phenomenal hearing stole the show.

Rainbow Dinner Dance

One of the social highlights of the year, the Rainbow Dinner Dance, was held December 28, 1948. The dinner, held at La Posada Hotel, had a unusual change of menu this year. Chicken a la King was served instead of the usual fried chicken or turkey. Claudia Ross and her committee were in charge of the decorations, which were in the form of skating figures.

Since it is one of the biggest formal dances of the year, there is no limit to the amount of work in decorating the high school auditorium where the dance is held. The theme this year was Winter Wonderland, with colors of silver and blue. On the sides of the auditorium were snowbanks, trimmed with silver boughs and blue lights. In the center of the floor was a twelve foot silver tree trimmed in blue lights. On the stage was a complete outdoor snow scene, with snowbanks, a snowman, a sleigh drawn by reindeer, and four silver trees. Jerry Hitchcock, and Janet Palmer, with their committee, were in charge of the decorating. Music was furnished by Streeter's orchestra.

It was one of the most successful dances of the year and certainly the most beautiful of all the Rainbow Dinner Dances.

TOMORROW'S *Leaders*

Establishing and maintaining a good bank connection is important to young men and women, particularly to those who hope to become the business and professional leaders of tomorrow.

These young men and women who establish a banking connection by opening a savings account and add-

ing to it regularly . . . who consult the bank about their plans for the future . . . who win and keep the confidence of their banker . . . have gained a valuable, life-long ally.

The Valley National Bank cordially welcomes the accounts, and friendships of all sincere, ambitious young men and women.
